Kindness

Challenge

We all know that every seed produces a harvest after it's own kind. In other words, if you were to plant a tomato seed, a tomato plant will grow and produce tomatoes. If you were to plant a sunflower seed, a sunflower would grow from which you could harvest sunflower seeds. You would be very surprised if after planting an apple seed the tree produced a harvest of pears!

The same goes for our actions. If you smile at someone, more than likely they will smile back. When you show kindness to someone, there's a good chance they are going to be kind in return, or pass on the kindness to someone else.

This month at *My Place With Jesus* we are going to do a **Kindness Challenge**.

Put the *My Place With Jesus* **Kindness Challenge** somewhere you will see it everyday. As you complete an activity, mark it off or place a sticker in the box. There are 25 suggestions as well as three boxes for you to add your own. Don't feel limited to doing only one act of kindness a day, doing them in order, or repeating a kindness more than once.

Send your completed challenge form to one of the addresses provided by **March 5, 2018** to receive your certificate and win a surprise!

My Place With Jesus Kindness Challenge

..... Challenge Form

God wants us to be kind, not only to those who are kind to us, but also to those we may think of as our "enemies."

See Luke 6:35 and Proverbs 25:21, 22.

We should be kind, not hoping to receive something in return, but because Jesus lives in our heart and we've allowed Him to be kind through us. True kindness only comes through Jesus working in our lives.

Kindness Challenge Report: Write about one or more from the list below.

Write about how you:
.....

- *made a new friend*
- *made a friend out of an "enemy"*
- *made someone's day*
- *encouraged someone*
- *saw someone become happier*
- *saw someone pass your kindness to someone else*
- *felt after doing something kind*
- *saw God's kindness towards you*
