

JOURNEY THROUGH THE BIBLE

1

David wrote that God's glory could be seen in the heavens (Psalm 19:1). He was in awe that the Creator of the universe would die to redeem those on this sinful and fallen planet (Psalm 8:3-4). As you read through the Psalms you will see God's amazing love for you. Be blessed by the wonder of God's love as you journey through the Bible this month.

THINK ABOUT THIS:

One day on Venus is equal to 243 days on Earth! It would take much patience just to wait for the sun to set! God is very patient with us. Peter writes that God's great patience makes our salvation possible! See 2 Peter 3:15.
